About Us

Meladada™ creates inclusive skin and hair care for women of colour, using the finest natural ingredients and botanical actives. Our products are made with farm-produced frankincense, organic cold-pressed oils, and carefully selected, locally sourced natural ingredients chosen for their purity, quality, and effectiveness. Every formulation is made with high-quality, traceable raw materials and contains zero harmful ingredients. Guided by sustainable growing and harvesting practices, we create products that nourish, restore, and celebrate the natural beauty of melanin-rich skin and textured hair.

Indigenous ingredients. Pure formulations. Naturally radiant beauty.

Essential oils

Frankincense Essential Oil

Distilled in-house at Sweetwaters Eco-Farm from sustainably sourced frankincense resin from Northern Kenya, this pure essential oil is prized for its calming aroma and skin-supporting properties. Traditionally used to promote relaxation, meditation, and healthy-looking skin, it is a timeless addition to any natural wellness routine.

KSH 2,000

Myrrh Essential Oil

Our pure, distilled in-house Myrrh Essential Oil is carefully produced from sustainably grown East African myrrh to preserve its rich, earthy aroma and natural therapeutic properties. Traditionally valued for its calming, grounding, and skin-rejuvenating benefits, it helps soothe dry skin, supports a healthy-looking complexion, and promotes relaxation. Produced in small batches for exceptional purity, it is ideal for skincare, massage, aromatherapy, and daily wellness routines.

KSH 2,500

Organic Face Mist KSH 1,000

Refresh, hydrate, and restore your skin with Meldada's botanical face mists, crafted with farm-produced frankincense, pure floral distillates, and indigenous African botanicals.

Designed for sensitive skin, each mist provides an instant boost of hydration while helping to soothe, tone, and revitalize the complexion throughout the day.

Made with natural, high-quality ingredients and zero harmful additives, our face mists celebrate Africa's botanical heritage while supporting healthy, radiant skin.

Men's Beard Oil & Face & Body Cream KSH 1,500 each

Meldada Men's Sandalwood & Frankincense Face & Body Cream

A lightweight daily moisturizer handcrafted in small batches with in-house produced frankincense, sandalwood, and organic cold-pressed oils. This fast-absorbing formula hydrates, nourishes, and protects the skin while leaving a refined woody scent. Made with locally sourced ingredients and zero harmful additives.

Meldada Men's Sandalwood & Frankincense Beard Oil

Handmade in small batches with in-house produced frankincense, sandalwood, and organic cold-pressed oils, this nourishing beard oil softens, conditions, and hydrates both beard and skin for a healthy, well-groomed finish. Made with locally sourced East African ingredients and zero harmful additives.

Face Bundle

Rejuvenating Frankincense Face Serum

KSH 3,000

A concentrated blend of farm-produced frankincense, organic cold-pressed oils, and nutrient-rich botanicals designed to deeply nourish, hydrate, and revitalize the skin. Formulated for melanin-rich skin, this lightweight serum helps promote a smoother, more radiant complexion while supporting the skin's natural renewal process. Made with high-quality, traceable ingredients and zero harmful additives.

Rejuvenating Frankincense Day & Night Face Cream

KSH 1,500

A luxurious daily moisturizer formulated with farm-produced frankincense, organic cold-pressed oils, and nourishing botanical extracts to hydrate, restore, and rejuvenate the skin. Designed for melanin-rich skin, this rich yet lightweight cream supports a smooth, radiant complexion while helping to maintain skin elasticity and moisture balance. Made with high-quality natural ingredients and zero harmful additives.

Organic Beeswax Lip Balm

KSH 300

A nourishing blend of organic beeswax, botanical oils, and natural butters designed to moisturise, protect, and soften dry lips. Smooth, soothing, and free from unnecessary additives, it provides long-lasting hydration for healthy, naturally cared-for lips.

Sweet Almond Oil

FAQs

1. Are Meldada products suitable for sensitive skin?

Yes. Our gentle formulations are made with natural ingredients and are designed to support sensitive skin. We recommend performing a patch test before first use.

2. Are Meldada products suitable for all skin types?

Yes. Our products are suitable for most skin types, including dry, normal, combination, oily, and sensitive skin.

3. Are your products suitable for melanin-rich skin and textured hair?

Absolutely. Meldada was created to nourish and celebrate women of colour with formulations tailored to the unique needs of melanin-rich skin and textured hair.

4. What makes Meldada different?

We combine indigenous East African botanicals, in-house produced frankincense and myrrh, and organic cold-pressed oils to create premium skincare with zero harmful ingredients.

5. Where do your ingredients come from?

We prioritise locally sourced ingredients from East Africa, alongside our in-house produced frankincense and myrrh. We work with trusted partners who share our commitment to quality and sustainable harvesting.

6. Are your products handmade?

Yes. Every Meldada product is handcrafted in small batches to ensure freshness, quality, and attention to detail.

7. What harmful ingredients do you avoid?

Our products are free from parabens, sulphates (SLS/SLES), silicones, mineral oil, petroleum derivatives, phthalates, synthetic fragrances, synthetic colours, formaldehyde-releasing preservatives, and harsh drying alcohols.

8. Why do natural products vary in colour or scent?

Because our products are handmade using natural ingredients, slight variations in colour and aroma may occur depending on seasonal harvests and the natural availability of botanicals. These variations reflect the authenticity of our formulations and do not affect quality.

9. Are your products scented with synthetic fragrances?

No. Our products are naturally scented using pure essential oils and botanical extracts.

10. Are your products cruelty-free?

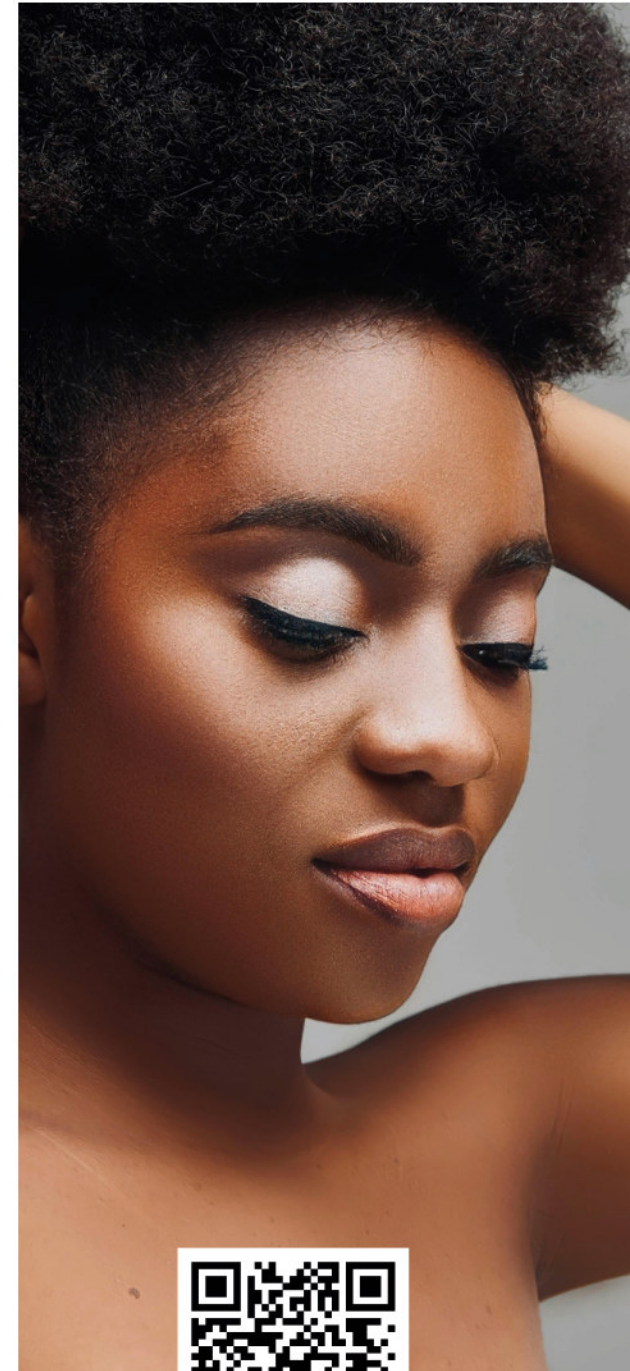

Yes. Meldada products are never tested on animals.

11. How should I store my products?

Store in a cool, dry place away from direct sunlight and keep containers tightly closed after use.

12. Do you use sustainable sourcing practices?

Yes. We are committed to sustainable growing and harvesting practices, supporting local communities, and using high-quality, traceable ingredients that respect both people and the environment.
